Sub: Bicycles - Initial supply - Taluk office, Mangalore - Sanction - Sought

The Tahsildar of Mangalore states that he requires a cycle for his office use due to war work particularly when the recruiting officers camp in Mangalore. Apart from other routine work, the work of distribution of local tappals and service of notices in the villages by Taluk office peons does not permit them to be readily available for any emergent work arising in the office. But this deficiency could however be made up by the supply of a bicycle to the Mangalore Taluk Office. As this is a heavy taluk being the Headquarters taluk of the district and as there is considerable war work to be attended to in the Taluk Office, I request the Board to obtain the sanction of Government for the initial supply of a bicycle to the Mangalore Taluk Office under item 6 of Appendix 7, of the Madras Financial Code, Volume II.

2. An average good cycle costs between Rs.120/- to Rs.130/-, in Mangalore at present. An additional allotment of Rs.130/- may therefore be sanctioned under "25.General Administration - Taluk Establishments - Contingencies - Other contingencies" after obtaining Government's sanction for the purchase of the cycle.

3. I request the favour of early orders.
